May They Rest in Peace

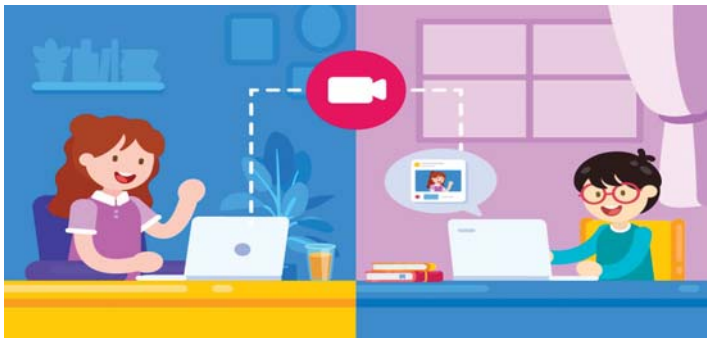
Would you like to remember a loved one in our Remembrance section? The cost of enrollment will be a $50 donation for the year. Please contact the office (508) 865-6624 to enroll your loved one(s).

Youth & Family Faith Formation

Given the continued increasing COVID-19 cases, we will be *postponing the start of the Little Lambs program through May*. Please watch this space for updates.

Wishing you all a blessed and healthy new year!

Faith Formation Update



Due to the increase in local COVID numbers, we have moved to a fully remote Faith Formation format in all grades 2-10. We have adjusted curriculums accordingly and are in the process of communicating revised schedules to all families. We will remain in this remote model at minimum through the end of February. We pray that all our families have a healthy and blessed 2021!

Saint Blaise

DIED C. 316
FEAST DAY: FEBRUARY 2

Saint Blaise is a bishop and martyr who lived in the fourth century in Turkey and Armenia. For a time, Blaise lived in a cave to escape persecution. On his feast the church recalls a miracle cure associated with him and celebrates the blessing of the throats. Blaise apparently saved the life of a boy who was choking on a fish bone. The saint said that anyone who lit a candle in his memory would be free of infection, thus candles are used in the traditional throat blessing. He is listed among the Fourteen Holy Helpers, saints revered as healers.

He is the patron saint of throat illnesses, animals, wool combers, and wool trading.

Annual Partners in Charity Appeal 2021

Recently, many of you received a letter signed by your Pastor addressed to parishioners of St. Brigid Parish and Our Lady of the Assumption Parish about the 2021 Annual Partners in Charity Appeal.

The timing of this letter has caused, understandably, some confusion. People have wondered if this was a follow-up to the 2020 appeal which fell short of its $5 million goal, asking for an additional gift to help make up the shortfall. That is not the case.

The most recent letter you received is, rather, about the 2021 Appeal. You may wonder why the Appeal is starting so early in the year as opposed to the usual spring roll-out, especially when many of us are still paying on pledges made to the 2020 Appeal.

Our Diocese of Worcester is in the middle of a large Capital Campaign called Legacy of Hope, targeted with raising more than $32 million for several needs including Catholic Education, but, most crucially, for retirement and long-term care for priests which is currently short-funded to the tune of an unsustainable $1 million per fiscal year. In short, for every dollar parishioners in each parish pledge or contribute to the Legacy of Hope Campaign, sixty cents would go to the campaign, while forty cents would remain in the parishes for needs right here.

Many parishes in the diocese have already conducted the Legacy of Hope Campaign in earlier phases. Here in Millbury, our parishes are in Phase IV of the Campaign which will begin in earnest this coming spring, along with 38 other parishes in the diocese.

For these 40 parishes, the annual Partners in Charity Appeal is being moved up for this year only to keep it from conflicting with this spring's Legacy of Hope Capital Campaign.

I hope this clears up some of the confusion, rather than muddying the already murky waters!

Please watch the bulletin and the parish websites for more information on both of these vital outreaches for our Church in the Diocese of Worcester.

Care for Creation Corner

"The environment...is on loan to each generation, which must then hand it on to the next." *(Laudato Si 159)*

Unused food can be composted which puts it to good use if your family does any type of gardening. Discuss the modern meaning of the phrase in Genesis 2:15 - “to keep and cultivate the garden”. What is expected of us to "keep it"?

Time how long you are in the shower. Try to keep your shower to less than 4 minutes on average.

Use rechargeable batteries and eliminate the waste, consume less!! Example: Keeping your phone for 4 years instead of 2 has an environmental impact. Check storyofstuff.org

Discuss with the oldest members of your family their perspectives on protecting the environment. Express your hopes for the future.
